

FINANCIAL AID APPLICATION

Each year, Greater Boston Stage Company's generous donors contribute to our Fund-A-Need program, which supports financial aid for students in The Young Company. Due to increasing requests for aid, we are now considering requests by a deadline instead of on a rolling basis. Please submit your application in full by the deadlines noted below. Financial aid awards will be announced one week from the deadline. Awards typically range from 30% to 50% of the program fee. Requests for more substantial aid will be considered but are only granted in exceptional circumstances.

Payment plans are also available and applicants are encouraged to propose payment terms that work for them.

Families will be notified by mail or e-mail of any financial aid award or denial.
